Understanding the Concept of a Blaze Best Seller

Definition and Characteristics

A blaze best seller generally refers to a product that skyrockets in sales, often surpassing initial expectations and dominating sales charts across various platforms. Distinguishing from Other Best Sellers

While all blaze best sellers are best sellers, not all best sellers qualify as "blaze" due to the speed and intensity of their rise. Traditional best sellers may enjoy consistent sales over months or years,

whereas blaze best sellers are characterized by their quick ascension, often driven by novelty, hype, or strategic marketing.
